Message: Nick, attached is the presentations and the txt files for all plans presented. They can be imported as csv files (they are comma delimited). There are no 1 through 14. They are labeled as labeled in the presentations. The proposed plan was referred to sometimes as "12" and D1 plan may have been referred to as "14." I would appreciate a copy of the transcript when you have it.

Click the following link to download your file(s).
